FabricFair

Iran International Fabric
and Textile Exhibition

About Exhibition:

The 4th Iran International Fabric and Textile Exhibition (Fabric Fair) will be held in May 2026 at the Shahr-e Aftab Exhibition Center in Tehran. The Iran International Fabric and Textile Exhibition showcases a wide range of technical and industrial capabilities from the Islamic Republic of Iran as well as from other countries worldwide in the field of fabrics and textiles.

The exhibition provides a unique platform for local and international companies to explore major opportunities in this industry, while also gaining insights into the latest developments in both local and global markets. It offers an excellent opportunity to access information on products and suppliers within a concentrated period of time.

The exhibition is organized by Nebras International Fair Management

Why should you attend?

Fabric Fair is the premier platform for functional textiles, strategically scheduled to align with the sourcing cycles of product and purchasing managers, material departments, and designers. As a fabric and accessory supplier, you can take part in this influential event to grow your business by connecting with international brand decision-makers at the ideal time to present your solutions and build long-lasting
